Conditions Of Use

1. Permission is for a single production only, for the entire life of the production, as described on this form, with no other rights. Any subsequent use (including subsequent editions, foreign language editions, etc.) constitutes re-use and must be applied for in writing to the Archivist of the Forest History Society. An additional fee may be charged for re-use.
2. All reproductions must be credited as follows: "Courtesy of the Forest History Society, Durham, NC. [Image ID#]"
 - a. With printed matter, the photographer's name, when provided, must be included in the credit line. The credit line must appear with the item or on a credit page, indicating the page number and the location on the page, for each item. Crediting of each individual item is mandatory in all cases.
 - b. With slide presentations and video productions, credit must appear with other credits at the beginning or the end of the production.
 - c. With display or exhibition, please credit each image within the display or exhibition area. Exemption from this requirement must be approved by the Archivist of the Forest History Society.
3. Usage fees are assessed according to type of use. Payment of this fee does not exempt the user from the credit line requirement.
4. Accompanying captions must indicate all changes made to the original copy, such as significant cropping, tinting, superimposing, digital alteration, etc.
5. One complimentary copy of each publication or production in which the photographic copy appears must be sent to the Forest History Society Archives immediately upon completion.
6. The user may not reproduce or permit others to reproduce the Forest History Society's photographic images or any facsimile of them. Additional copies of the original images must be purchased from the Forest History Society.
7. The user may not reproduce the photographic copy as a dust jacket, nor use in an advertisement or any commercial use of a similar nature, nor mass produce as unbound material, unless specifically authorized by a letter of permission.
8. In authorizing the publication of a photographic copy, the Forest History Society does not surrender its own right to publish it, or to grant permission to others to do so.
9. All responsibility for possible copyright infringement and invasion of privacy arising from use of reproductions is assumed by the user.
10. This Permission to Use form constitutes our entire agreement. Any exceptions or additions to the above conditions will appear on, and be considered part of, the permission form.
