1. All reproductions must be credited as follows: “Courtesy of the Forest History Society, Durham, NC.”
 - a. With printed matter, the credit line must appear with the item or on a credit page, indicating the page number and the location on the page, for each item. Crediting of each individual item is mandatory in all cases.
 - b. With film and video productions, credit must appear with other credits at the beginning or the end of the production.
 - c. With display or exhibition, please credit each image within the display or exhibition area. Exemption from this requirement must be approved by the Archivist of the Forest History Society.

3. Usage fees are assessed according to type of use. Payment of this fee does not exempt the user from the credit line requirement.

4. One complimentary copy of each publication or production in which the photograph appears must be sent to the Forest History Society Library and Archives immediately upon completion.

5. The user may not reproduce or permit others to reproduce the Forest History Society’s photographic images or any facsimile of them. Additional copies of the original images must be purchased from the Forest History Society.

6. The user may not reproduce the photographic copy as a dust jacket, nor use in an advertisement or any commercial use of a similar nature, nor mass produce as unbound material, unless specifically authorized.

7. In authorizing the publication of a photographic copy, the Forest History Society does not surrender its own right to publish it, or to grant permission to others to do so.

8. All responsibility for possible copyright infringement and invasion of privacy arising from use of reproductions is assumed by the user.
