Applications

April 4, 1929.

Mr. John Neetzel,  
Blue Earth, Minnesota.

My dear Mr. Neetzel:

The Station will be glad to give you employment during the summer. Since you have already had one field season with the Forest Service, your salary will be at the rate of \$85.00 per month, including expenses while in the field. I would appreciate it if you could report on May 1, at the headquarters of our Station, 110 Old Dairy Building, University Farm, St. Paul, Minnesota.

Your work will be largely assisting Mr. S. R. Gevorkiantz in the preparation of yield tables for second-growth white pine in eastern Wisconsin.

Very sincerely yours,

*Raphael Zou*

Director.
